WellCheck Brings H1N1 Flu Shots to Your Local Mall on Dec. 5th and 6th

Knoxville, TN - December 3, 2009 - The Holiday Season is just around the corner and the one gift that you wouldn't want to pass on is the flu. In an effort to make this holiday season a healthy one, WellCheck will launch H1N1 Flu Defense Clinics at two Simon Property Group malls--Knoxville Center and West Town Mall--on December 5th and 6th.

WellCheck is offering quality and convenient healthcare to mall shoppers during the world's first flu pandemic in more than four decades. Tennessee is one of 32 states currently reporting widespread influenza activity, according to the Centers for Disease Control and Prevention.

"The Holidays are a time when many families travel and meet in large groups, which offers a prime opportunity for viruses to pass from one person to another," said WellCheck CEO Jack Tawil. "We're encouraging everyone who is able to receive a flu vaccination to get out and get one early."

The H1N1 Flu Defense Clinic at Knoxville Center will be held on the lower level near Hibbett Sports and JC Penney. The clinic at West Town Mall will be held near Santa Claus and the Motherhood Maternity store. Clinic hours at both malls are scheduled to run from 11 a.m. to 7 p.m. on Saturday, December 5th and on Sunday, December 6th from 12 p.m. to 6 p.m. while vaccine supplies last.

The cost of the H1N1 vaccine has been picked up by the federal government, however, there will be an administration fee of \$15 per dose. The injectable vaccination and the nasal spray vaccine will be offered. Cash and credit/debit cards are accepted for payment. Medicare will be accepted and beneficiaries are asked to bring their Medicare cards with them.
